“I DID IT MY WAY“

* 7. 6. 1932

† 4. 1. 2011

God came with a great, white Cadillac at 5 o'clock in the morning & took my Daddy into his second life – maybe paradise –

He was living in his own reality & loneliness...without any rules!

If his antetypes – Frank Sinatra, Dean Martin, Bugsy Siegel & Ava Gardner would have known him...they would be all there...by the sound of Lionel Hampton!

Heinz, we'll miss u so much!

IN DEEPEST LOVE & REMEMBRANCE

Your son Frank & Corinna
